1) Fred:

I have briefly reviewed the attached file on Mr. [REDACTED]. In the normal course of processing, this case should now go to the DCI who, based on Mr. [REDACTED] protests, would forward it to the Inspector General for investigating and reporting back to him. I am not sure but that justice is not on the side of Mr. [REDACTED]. May I suggest you thoroughly acquaint yourself with this case and then have a discussion with probably Paul Walsh so that the DD/I may understand that they are sailing into deep water on this case.
